Letter of interest

Dear Mr Blach-Petersen,

Greenpeace hereby wish to express our interest to acquire the German lignite business that Vattenfall is planning to divest, as outlined in the document “Vattenfall AB: Sale of Vattenfall’s German lignite and hydro activities”.

Please send us further information on the process for the potential acquisition of the Seller’s lignite and hydro activities. Naturally, we will respect the need for confidentiality and non-disclosure as appropriate.

Yours Sincerely,

Patrik Eriksson
