Dear Ms Stewart,

The Federation of Labour National Executive at its meeting of 13 March 1985 agreed to support the campaign of Greenpeace and the 1985 Pacific Peace Voyage.

Further to this the Federation of Labour has informed all affiliated unions and district councils of its support and endorsement and has requested that donations to the campaign be made.

Donations have already begun to be made via the Federation of Labour's National Office and these will be forwarded to your organisation at an early date.

Yours faithfully,
