

The background of the advertisement is a dark, almost black, textured surface that resembles a microscopic view of a cell or a rough, organic material. Several piggy banks are scattered across this surface. Some are pink with dark brown or black markings, while others are entirely white. The piggy banks are positioned around the central text, with some appearing to be partially submerged or resting on the dark surface. The overall aesthetic is gritty and scientific, contrasting with the traditional, clean image of a piggy bank.
